Hi Greg. I hope you are having a great winter in Vail! We certainly are enjoying our home. John and I will be at the home this weekend entertaining friends, but will also be back February 17th-21st and the week of March 12th. **We would like to show you the house. We would also like to thank you for introducing us to Mike Rookey from Blueprint Construction. Mike did an amazing job with the house and all within budget. The neighbors tell us that he worked at the house 7 days a week in order to get it done for the holidays. We have zero complaints about his work and certainly not his professionalism. He kept in very close contact with us throughout the project and sent us pictures at least weekly, sometimes daily as projects got finished. We would highly recommend him to others.**

Give us a call sometime and we will have you over!

Sincerely,

Kim & John Hoffman
